The best location for wearing each LIFE TRANSFORMER™ is shown in the table above. Although they can be worn anywhere on the body they are somewhat more effective when worn in the recommended location. For best results they should be worn as much as possible. Any number can be worn simultaneously without loss of effectiveness. All LIFE TRANSFORMERS™ should be rinsed under cold running water for one minute about once each day.

The LIFE TRANSFORMERS™ listed above are available now. Over one hundred others are being developed and will be available as developed. Suggestions are welcomed.

LIFE TRANSFORMERS™

Every substance has an innate pattern of energies. We, as human beings, have energies, too. These energies underlie all of our functioning, whether physical, psychological, or spiritual. As infants, indeed even before we are born, our energies are pushed, shaped, trained, even forced, into patterns which are not "normal" for us. Yet those disturbed energies determine how we relate to our world. As a consequence we are stressed by intimacy or success; our self confidence is undermined and we develop fears; we cannot learn how to cope with our emotions or deal with our sexuality; we get stuck and become depressed. In short, we get "hangups."

Through the techniques of Health Kinesiology™ (HK) those disturbed energy patterns can be corrected rather rapidly and people can experience profound changes in their lives. Not everyone, however, is ready for, or has easy access to, the HK work. LIFE TRANSFORMERS™ were developed so that everyone, easily and inexpensively, can receive some of the benefits of HK energy balancing.

GUARANTEE: Although we cannot provide "scientific evidence" that LIFE TRANSFORMERS™ will work as described, we do make this guarantee: Use, as instructed, for six months. If, at the end of that time, you do not experience significantly less stress (appropriate for the type of LIFE TRANSFORMER™) you may return *to whom you made the purchase*, the undamaged LIFE TRANSFORMER™ and receive a full refund (less shipping).

Any defective LIFE TRANSFORMER™ must be exchanged within 60 days *from whom you made the purchase*.

LIFE TRANSFORMERS™ are made with carefully selected jewelry quality gemstones. Their natural energies are enhanced and modified through a special process so that they now emit energies which gently counteract the negative energy patterns created within our bodies when we are stressed. Since different stressors produce different patterns, a different LIFE TRANSFORMER™ is required for each type of stress. These effects are mild, but as they are worn over extended periods of time they provide considerable cumulative effect. They provide an energy pattern or template for the body to match, which it does, over time, resulting in significant reduction in stress. This reduced stress, in turn, allows us to change our behavior, coping with "the world" in a more relaxed and effective manner.

Many LIFE TRANSFORMERS™ include a loop ("bale") which may be used to pin the LIFE TRANSFORMERS™ to your clothing or to hang from a chain. Also, they may be enclosed in an attractive cloth bag.

IMPORTANT NOTE: These LIFE TRANSFORMERS™ are effective, but they are not a panacea for severe psychological problems. Certain individuals may need the services of a properly trained Health Kinesiologist or qualified Psychologist. If you need Professional help, Health Kinesiology will help you find a qualified practitioner if possible.

Health Kinesiology offers consultation and professional practitioner training classes Internationally. Contact the HK Office for further information.
